Experience

Creative Design Intern
Hulu (Disney)
06.2025–01.2026
Santa Monica, CA

Assisted in the exploration and development of Hulu's evolving brand identity while maintaining a cohesive design language across all touchpoints, which included refreshing campaign assets, refining presentation decks, designing brand merchandise and creating design references for both Hulu's original programming and its overarching brand.

Freelance Designer
Adobe Inc.
09.2025–10.2025
Los Angeles, CA

Contracted to produce videos showcasing the debut of a new mobile video app from Adobe while also exploring its capabilities with original content. Through this opportunity I was able to collaborate with and learn from Luis Callegari, current Creative Director for EA Sports.

Co-Owner/Designer
BLLCRW. LLC
06.2022–Currently
Los Angeles, CA

Leading the creative vision for BLLCRW., I oversee garment design, manufacturer and supplier relations, and brand storytelling. I ensure that each collection reflects a cohesive theme, from sketch and concept to the final product, meanwhile also maintaining consistent identity and ethos across the brand's visuals and messaging.
